

Thoughts for the Buyers

Several dollars are required to get a really good pair of shoes. If you pay too little, you get trash, and if you pay too much, you are paying for a name or a fad. At this store, we steer a middle course. We do not sell shoes so cheap that they cannot wear, nor do we ask fancy prices. This is a popular, reliable, dependable shoe store. Come and see us.

Men's Reliable Shoes \$2.00 to \$4.00

Women's Reliable Shoes \$2.00 to \$4.00

Children's Reliable Shoes \$1.00 to \$2.50

Babies' Reliable Shoes .50 to \$1.25

A FALL IN CANNED GOODS.

Especially as to prices—is certain to please you. With the incoming tide of fresh vegetables and fruits, we must get rid of our canned stock—fine as it is—and our reduced prices will make them move in a hurry. Mark your calendars just as good and sweet as the day they were "put up," but out they must go, to your great benefit. Hurry up if you want any.

RECOVERY OF MISS HARRISON IS NOW CERTAIN

J. E. Haines, who returned to the city last night from a hunting trip in the Gorieta mountains, tells a thrilling story of an accident, which befell Miss Harrison, daughter of J. W. Harrison, of Pecos Town, about a week ago, and which came near ending in her death.

Miss Harrison teaches the school at Gorieta and rides to the school every morning from her home at Pecos Town. The early part of the week her horse threw her one morning and dragged her at least a hundred yards where she was found in a gully by some natives.

She was terribly bruised and unconscious and at first it was thought that she could not live. She recovered consciousness, however, shortly after being found, and her ultimate recovery is now almost certain.

Miss Harrison is now at the home of her father, Mr. J. W. Harrison, at Pecos Town.
